

6102 International MaterialDataSystem - Process analysis and process design

Goal

You know which parameters have to be considered regarding the integration of the IMDS to develop and realise a suitable design for a long-term efficient IMDS-handling. You are able to realise a data and process analysis, to identify interfaces with optimisation potential and you are able to realise a redesign for an already established IMDS-process.

Content

- The IMDS and its base of requirements
 - History
 - Goals
 - Basic requirements (ELV, OEM-specifics)
- The ideal IMDS-process
 - Parameters
 - Models
- IMDS-Process analysis and design
 - Company organisation structure
 - Process flow
 - Data collection and administration
 - Documentation
 - Internal and external management
 - Reports and statistics
- IMDS-Data analysis and design
 - Administration of own data
 - IMDS-Change-Management
 - Check routines to meet internal standards and norms
 - Quality of own and external MDS (modules)
- IMDS-Process efficiency
 - Cost view
 - Performance valuation
 - Position profiles of the IMDS-work
 - IMDS-expertise
 - Work redundancy and error frequency
 - Supporting IT-Tools
- Short presentation of the continuative services

As an IMDS-manager you are now able to realise a design or redesign of IMDS-processes to fulfil the IMDS-work with regard to efficiency, quality and cost orientation as well as in view of your company organisation.

Training method

Presentation with discussion

Participants

You would like to introduce the IMDS or reorganise an established IMDS-process.

Requirements

Basic knowledge of the IMDS and the process.

Training duration

1 day, from 9 a.m. to 5 p.m.

Maximum number of participants: 12

Certificate

As a participant of our authorised IMDS-trainings you receive a personal certificate to prove your IMDS-qualification.

Training documents

You receive a personal IMDS-expert information.

Further information can be found in our download-area in the internet.

Public training

Current prices and dates can be found on our internet site www.imds-professional.com.

Exclusive training

You can also book this training exclusively. Then we would charge a daily fee. Your advantage: You set time, place and number of participants. If preferred we also take over the whole organisation for you.

We also provide you with our room facilities and technics. If preferred, we also take care about service and catering.

Please request your personal offer:
