1.3 ISUZU Supplied Parts

➤ To Tier 1 Suppliers

If MDSs for ISUZU supplied parts included in your products are required, fill out the necessary information in the “IMDS request ISUZU supplied parts form”^{*1} and send it to ISUZU IMDS Team.

ISUZU IMDS Team email: imds-info@notes.isuzu.co.jp

Before making a request to ISUZU, search for previously received MDSs and confirm that there is no MDS for the part you need.

^{*1} When you need the “IMDS request ISUZU supplied parts form”, please contact our IMDS team.

➤ To Supplied Parts Makers

The due date will be specified in the email.
Please cooperate in submitting MDSs within a short lead time.

1.4 Notification of Results: Accepted / Rejected

➤ “Accepted” : You can check the status in IMDS.

➤ “Rejected” : We will inform you by email.

Please refer to the file attached to the email.

A password has been set for the attached file; the password is your IMDS company ID.

The reason for denial will be described in the attached file. Please see the “Check result (Material / Substance)” and the “Check result (Data form)” columns in the attached file, and make the necessary corrections and revisions accordingly.

3.3 Material

The screenshot displays the 'Recipient data' tab in the MDS web application. The header shows 'Isuzu Motors Limited [22349]' and navigation links for 'MDS', 'Functions', 'Administration', and 'Help'. The main content area shows the material name 'ISUZU_Material_MDS_1' with its ID version (908962262 / 0.01) and Node ID (908962262). Below this, there are buttons for 'Send', 'Propose', 'Release Internal', and 'Publish'. A status bar indicates 'ITSA [900023] edit mode (07/17/2019)'. On the right, a 'Details' panel is visible, containing sections for 'Transfer Information' and 'Drawing'.
